

VIPAR Heavy Duty Family of Companies

Jay Pagano

General Manager, Global Parts Network, LLC

Jay Pagano is the general manager of Global Parts Network, LLC (GPN), a wholly-owned subsidiary of VIPAR Heavy Duty. Pagano is responsible for the day-to-day operations and execution of the Global Parts Network business plan.

Pagano has more than 46 years of experience in the heavy duty aftermarket, including the past 20 years with VIPAR Heavy Duty and its family of companies. Pagano, originally a stockholder, became part of the management team in 1996 and has served in a variety of positions. Most recently Pagano was senior director of business development for GPN in the eastern half of the U.S. and Canada.

GPN operates a parts distribution center as well as a brake manufacturing production center providing seamless service and support exclusively to the VIPAR Heavy Duty family of companies to satisfy the replacement parts needs of commercial vehicle operators and maintenance facilities. For more information about Global Parts Network visit www.globalpartsnetwork.com.

Distributors within the VIPAR Heavy Duty family of companies are specialists who understand the demands of their local, regional, and national customers for quality parts and exceptional service. With more than 800 locations across the United States, Canada, Puerto Rico and Mexico, distributors serve the needs of customers operating under the VIPAR Heavy Duty and Power Heavy Duty brands in their local markets. VIPAR Heavy Duty also operates a wholly owned subsidiary, Global Parts Network, LLC, a brake manufacturing and product distribution center. VIPAR Heavy Duty and its family of companies is one of three founding members of NEXUS North America, LLC, the exclusive partner for NEXUS Automotive International SA in North America.
