

News Release

Southeast Power Systems Joins VIPAR Heavy Duty Network

- *Employee-owned company with nearly 75-year history*
- *Company specializes in fuel systems, pumps, injectors and turbochargers sales*
- *Based in Florida, serving customers throughout the entire state*

Crystal Lake, Ill. – Oct. 14, 2022 – Florida-based [Southeast Power Systems of Orlando, Inc.](#) is the newest stockholder to join the [VIPAR Heavy Duty](#) network.

Established in 1948, Southeast Power Systems is an employee-owned company specializing in fuel systems, pumps, injectors and turbochargers sales. In addition to parts sales, the company also offers component rebuild, drive-in service and installation. With locations in Orlando, Tampa and Ft. Myers, Florida, Southeast Power Systems supports a diverse customer base including on-highway, off-highway, marine, agricultural, construction/industrial, municipalities, transit and school buses.

“With their large footprint, Southeast Power Systems has customers throughout the state of Florida and they are dedicated to offering new products and services to support that customer base,” said Jim Pennig, vice president of business development, VIPAR Heavy Duty. “We appreciate the company’s dedication to serving their customers and are excited to welcome them to the VIPAR Heavy Duty network.”
