VIPAR Heavy Duty Welcomes Battery One, Inc. as Newest Stockholder

- *Company specializes in battery installation, custom cables, a full line of heavy duty engine filters and industrial power*
- *Based in Maryland and serving customers throughout western Maryland and south-central Pennsylvania*
- *Family owned and operated since 1983*

Crystal Lake, Ill. – Nov. 18, 2022 – [Battery One, Inc.](#) has become the newest stockholder to join the [VIPAR Heavy Duty](#) network.

Based in Hagerstown, Maryland, with locations throughout the state and one in Pennsylvania, Battery One, Inc. provides battery installation, custom cables, a full line of heavy duty engine filters and industrial power to its customers across many industries including automotive, industrial, marine, agricultural and more.

“Battery One, Inc. began with a mission to provide customers with batteries at an affordable price with unmatched service. Over the last four decades, the company has had impressive growth expanding its offerings to provide power to everything from hearing aids to helicopters in addition to commercial vehicles,” said Jim Pennig, vice president of business development, VIPAR Heavy Duty. “Their diverse product offerings and excellent customer service are two of the reasons why we are pleased to welcome Battery One, Inc. to the VIPAR Heavy Duty Network.”

Battery One, Inc. is a family-owned and operated business that began in 1983 and now services customers throughout western Maryland and south-central Pennsylvania.
